

STEP BY STEP GUIDE

Commercial Locksmith Services

Professional locksmith support to regain access, change locks and secure commercial premises quickly and effectively.

1

Instruction Received

We establish the property details and locksmith support required.

2

Security Assessment

Locks, doors, shutters and other access points are assessed.

3

Access Gained

Where necessary, professional methods are used to regain access while minimising damage.

4

Locks Repaired or Replaced

Locks, cylinders, fobs and access systems are repaired, replaced or reprogrammed as required.

5

Property Secured

The premises are left secure and keys or access devices handed over as instructed.
